

AIRPORT DIRECTOR'S REPORT - February 2015

A AIRPORT OPERATIONS

- Passenger Count
- Aircraft Operations
- Air Freight

The passenger count for January, 46,178 was down 17.3% compared with January 2014, which reflects the loss of American Airline service to LAX and the loss of Frontier's flights to Denver. United had a total passenger traffic increase of 11% over January of last year; Alaska had an increase of 2% over the same period.

16 of 588 scheduled airline flights, or 2.7%, were cancelled during January 2015. Nearly all (14) of the cancellations were weather, flight crew, or maintenance-related.

B PROGRAMS

1. Communications Program

The Airport will be hosting members of the Carpinteria Chamber of Commerce at the historic Ovington Terminal on Wednesday, February 25 for a mixer from 5-7pm.

The Airport is currently in the process of launching a frequent flyer program starting March, 2015. The "Thanks Again" program will allow passengers to garner points toward their preferred mileage or hotel cards at no cost to passengers. All concessions, including parking will be affiliated with this program.

2. Master Plan

Airport staff is reviewing the Administrative Draft Environmental Impact Report (EIR) to assess the environmental consequences of the Airport Master Plan. City of Goleta Staff is reviewing the Master Plan Traffic Study for concurrence. The Historic Landmarks Commission approved the Historic Structures Report. These two reports were used in the assessment of potential environmental impacts in the EIR. The Draft Environmental Impact Report will be released for public comment next month.

Estimated Cost

3. Wildlife Hazard Assessment

The Airport contracted with Dudek, Inc. to conduct a 12-month Wildlife Hazard Assessment (WHA). Twice-monthly bird surveys, small mammal surveys, and night-time spotlight surveys will be conducted on the airfield and compared to the results of the previous assessment in 2004. Where hazards have not improved, new recommendations for wildlife strike avoidance will be made in an update to the Airport's Wildlife Hazard Management Plan.

Estimated Cost
